### Rates

Stepping Stones Preschool follows Elizabeth School District's Conventional calendar, with the exception that our school year begins September 5, 2023. Tuition is \$575 a month for class four days a week (Monday, Tuesday, Wednesday, Thursday). No tuition is due during the summer break. Tuition for the first month is due prior to starting preschool. Monthly tuition is due the first day of each month thereafter. There is a non-refundable \$100 registration fee to hold your child's spot in class and is used towards classroom supplies for the year or \$175 for families with multiple children enrolled. The monthly rate of \$575 will not change during the year regardless of illness, absences, vacations, holidays, or school breaks. A 2-week notice is required prior to withdrawal from the program. Please call if you are going to be late to class or late picking up after class. There is a \$20 charge for every 15 minutes you are late at pick up and must be paid prior to the next class.

### Payment

Tuition is due the first of each month. No postdated checks will be accepted. Missed payments will be charged \$15 for each day that the payment is late. There is a \$35 service fee for returned checks. If a check has been returned, then all payments must be made in cash only from that point forward. Stepping Stones Preschool reserves the right to cancel your child's spot in school if tuition is not paid on time. Please make checks payable to: Stepping Stones Preschool.

Please sign that you have read, understand, and agree to the tuition policies for Stepping Stones Preschool.
